## PRESS RELEASE

# IMMOBEL SELLS TO “INTEGRALE” ITS PROJECT “PORTES DE L’EUROPE – ÎLOT P” IN NIVELLES

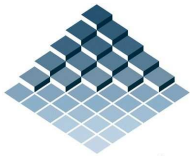

IMMOBEL has sold to “Integrale”, a specialist in additional pensions, all the business rights of its project “Espace Chrisitan Dotremont – Portes de l’Europe”.

The transaction covers the office building “Îlot P” – 8,600 sqm – developed by IMMOBEL.

The building, conceived by the group of architects Samyn & Partners, is located on the site “Porte de l’Europe”, in the Business Park of Nivelles Nord (which used to be a race track), avenue Jean Monnet 12 and Route Nationale 252.

It is entirely rented. The Federal Police is the main tenant, with a lease of 18 years. The other tenants are: the Youth section of the Court of First Instance of Nivelles (9-year lease), the Walloon Region and the company Holcim.

Gaëtan Piret, IMMOBEL’s Chief Executive Officer stated: “With this decision, IMMOBEL is pursuing its *Business Plan* by selling a project to which it has its added value, especially as the building has been rented to first class tenants”.

Diego Aquilina, President of the effective management of Integrale announced: “This acquisition perfectly fits in with Integrale’s strategy to pursue its investment policy with quality real estate, first class tenants and long term leases”.
